

# Share Something

## YOUR MISSION

Sharing shows Caring!

Find a way to share with a friend or family member.

You can share more than just things.

You can share a thought, idea, compliment,  
song, joke, or even just a smile!

I shared \_\_\_\_\_

I shared it with my \_\_\_\_\_ (friend, mom, dog...)

This is where we were \_\_\_\_\_

When I shared, it seemed to make them \_\_\_\_\_

(happy, surprised, thankful, interested.)
