

Lend a Helping Hand

YOUR MISSION

Look for a way to be helpful without being asked.

Try to find something that you wouldn't normally help with.

Some Ideas from Questor:

- Help a friend with their school work.
- Help a sibling with a game or project.
- Help a family member with a chore.
- Help your teacher pick up the classroom.

I helped my _____

This is what we did:

They were _____ when I offered to help.

Draw a picture of what you did between the helping hands:
