

Thanks & Gratitude

YOUR MISSION

Sneak attack!

Thank someone when they least expect it.

Find a way to thank someone for something they may think you take for granted, like driving you to karate class or fixing you dinner.

I thanked _____

They reacted with....

- Pleased surprise (“Why thank you!”)
- Suspicion (“What do you want from me?”)
- Confusion (“Uh...you’re welcome?!?”)
- Emotional and mushy (“Oh I love you! You are so wonderful!”)

Say “thank you” in Sign Language!

With your right hand flat, start with your fingers near your lips. Move your hand forward and down in the direction of the person you are thanking. Don't forget to smile!
